From

To

K.V. Anantaraman, Esq, B.A.,
Secretary to Government of H.H. the Maharaja of Mysore,
Revenue Department.

Sir,

In continuation of this office letter C.No.600 of 22-23 dated 27th December 1923, regarding the management of Chappalamma Devaru temple at Thornahalli in the Malur Taluk, I have the honour to forward herewith copy of letter H.C.No.378/23-24 dated 4th January 1924 from the Deputy Commissioner, Kolar District, stating that the final report dealing with the permanent assumption of the management of the Institution and the Jatra by Government is ready but its submission is delayed on account of his inability to visit the place for a settlement of the claims of the Kayamguttadars and the archak for a share in the income of the temple and promising to forward the report before the end of the month and soliciting sanction in the meanwhile for an advance of Rs.200/- for meeting the current year's jatra expenses which commences on the 26th instant.

2. In the circumstances explained by the Deputy Commissioner I recommend that an advance of Rs.200/- may be sanctioned, subject to adjustment in due course. The charge will be met from the funds at the credit of the institution to which the jatra collections are credited.

3. A similar sum was sanctioned last year in G.O.No.2013-15/M.F. 281-22-2 dated 6th January 1923.

I have the honour to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.

M.A.N.

Letter No.H.C.378/23-24 dated 4th January 1924 from the Deputy Commissioner, Kolar District to the Muzrai Commissioner in Mysore.

In forwarding herewith, Report No.ROC.127/23-24 dated 22-12-23, from the Sub Division Officer, Kolar Sub Division, requesting the sanction of an advance of Rs.200/- on account of the Jatra of Sri Chappalamma Devaru at Kayamgutta Thornahalli Village, Malur Taluk, I havethe honour to statethat a final report, regarding the ~~payment~~ permanent assumption of the management of the institution and the Jatra by Government, is ready for submission but the Kayamguttadars and the Archak of the temple have submitted a protest stating that their claims for a share in the income of the institution should be settled before the institution with its assets is placed permanently under Government management. As regards this point, I heard the parties concerned and have promised them that I would settle the matter after visiting the temple in person and making necessary local enquires in the matter. I have been trying to visit the place as soon as possible, but owing to urgent work in connection with the present unfavourable season conditions, the matter is being delayed to some extent. Any how, I shall try to visit the place early this month and submit my final report before the end of the month.

Regarding the income and expenditure of the institution during the past, years the Amildar has submitted a statement showing the same, and it is seen therefrom that the gross income of the institution during the past years from 16-17 to the end of 22-23 was Rs.7,217-14-11 and the expenditure amounted to Rs.1451-4-10, leaving a balance of Rs.5,766-10-1 at the credit of the institution as noted below:==

Year	Gross income	Expenditure
16-17	1029-10- 2	394- 7-3
17-18	1363-10-11	188- 9-3
18-19	1109- 6- 8	239- 3-9
19-20	1030- 5- 8	194-13-7
20-21	212- 8- 0	38-11-0
21-22	1242- 1- 0	200- 0-0
22-23	1230- 4- 6	195- 8-0
Total.	7217- 14-11	1451-4-10

It isalso seen from the records on the subject that the right of collecting fees at the jatra during the year 20-21 was sold by public auction on account of plague at the place and a sum of Rs.850/, was the amount of highest bid accepted. The person who purchased the

right that year paid up a sum of Rs.212-8-0 only, but he did not make the payment of the full amount of sale. Necessary correspondence is being made in the matter of collecting the balance of Rs.637-8-0 from the defaulting purchaser and the matter will be brought to a speedy disposal. The expenditure for this year was also Rs.38-11-0 as the taluk staff did not attend the jatra.

Thus it will be seen from the above, that the average income from the jatra collections is more than Rs.1,000/- per annum and there is a scope for much higher income from the jatra, if the present rate of cattle fee of 6 pies per head is raised to one anna as in the case of other major institutions in the District. A separat proposal will be submitted in this behalf also. The Chappalamma jatra is growing in importance year after year and about 40,000 head of cattle assemble during the jatra. Thus the institution will be treate as a major one and a scale will be drawn up early and submitted for orders with my final report referred to above.

It is seen from the Amildar's report that the jatra of this year commences on the 26th instant and the local officers have to make necessary arrangements in connection with it. In these circumstances I request that an advance of Rs.200/- forthe expenses of the jatra may kindly be sanctioned for this year also, as in the previous year. A bill of cost will be duly submitted for sanction as soon as the jatra is over.
